

MICHAEL WOODS

MOTIVATION FOR A PURPOSE-DRIVEN LIFE

KEYNOTE SPEAKER | AUTHOR | CERTIFIED ZIG ZIGLAR COACH

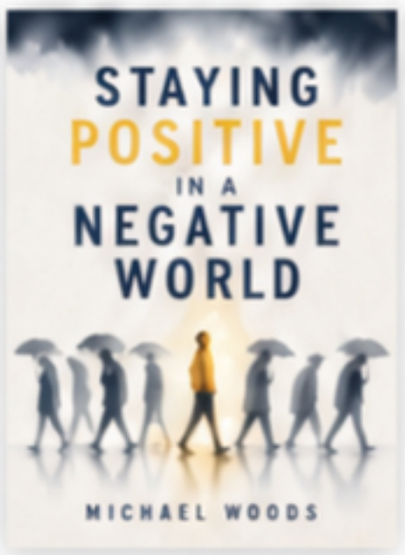

TESTIMONIALS

I am proud that Michael carries the Ziglar philosophy forward in his coaching and his speaking. He does it with energy, with warmth, with an unshakeable belief that people can change, because he did.
Tom Ziglar

Through personal observation, I have found Michael Woods to be an exceptional motivational and inspirational speaker who knows how to captivate an audience.
Willie Johnson – Professional Speaker and Trainer

Michael Woods is a fantastic speaker who knows how to engage an audience from start to finish. His "good ole boy" demeanor, combined with his humor and real-life stories, makes his speeches both entertaining and impactful.
Alan Bennett – CEPA Executive/Business Coach

Michael's positive energy is infectious when he speaks, whether he's speaking with you one-on-one or in front of a large group of people. Highly recommend Michael if you're looking for a great speaker.
Johnny Brown – President, Brown Capital Management

BIO

Michael Woods helps people strengthen their mindset, take control of their choices, and believe in what is possible for their lives.

After nearly 40 years in the grocery industry, including corporate leadership and 18 years as a co-owner of a successful independent grocery chain, Michael now uses his experience and contagious enthusiasm to inspire people, develop leaders, and help businesses create exceptional customer experiences.

He is the author of Staying Positive in a Negative World, featuring a foreword by Tom Ziglar, and The Lost Art of Customer Service, featuring a foreword by Steve Black.

His message is simple:
Positivity is a choice. People matter. Enthusiasm changes everything.
